Only the names on the list will be read out at the Eucharist.

Redbridge Faith Forum Multi-Faith Walk -

'Love and Remembrance - 8 November 3pm to 4pm

A highlight of our RFF year is normally our Walk of Peace which is always a very popular event with a large number of people joining us to walk together in fellowship and receiving a warm welcome into a variety of faith venues. We were so sorry that it is not possible for us to hold this safely in 2020 so we have decided that the next best thing would be to start Interfaith Week with an event launching our first ever "Virtual Walk". So please do join us on Sunday afternoon 8th November at 3pm to gather together remotely to watch the video tours our trustees have prepared to show you around their places of worship. Work is still in progress but we hope to be able to piece the videos together with photographs from past walks. As this is also Remembrance Sunday we will be taking the opportunity to hold a minute silence to remember who are no longer with us. We know what a difficult year it has been for us all and many of our members and supporters have been bereaved over recent months. We particularly wish to remember our founder and ex- Chair of Trustees Jackie Grieve who has left us a wonderful legacy of service to others. In this event we will focus on the importance of "loving our neighbour" and will be dedicating this event to her memory.

EcoTip from Eco Church - Ahead of winter.

Homes are really important, and God calls us to play our part in giving nature a home too. Is your garden lacking a bird feeder ahead of the long winter months when it's particularly hard for wildlife to source food? Could your balcony or windowsill do with some plant life? Even if you don't own the house, you can do your research and make a case to the homeowner for installing a bird box or hedgehog highway. (Though in the latter case, do make sure the neighbours are happy for you to make a small tunnel/hole in your shared fence!). Why not gather your housemates, friends and family to discuss how a new recycling, heating or transport arrangement might work for you all - you'll go further together!
